

April 22nd - 26th | 9am - 4pm

How can we help animals and the environment? Are there ways we could do better? This week, campers will learn about and meet the 80+ animals that live at Rescue Ranch. They will also create art with recycled materials, be a part of the recycling Olympics, complete science experiments, and come up with new ways to do everyday things that would make Mother Nature proud!

This camp is for campers in kindergarten through 5th grade.
Middle school students are welcome to apply to be a junior counselor.

MONDAY | Be the Pollution Solution
TUESDAY | Trash Bashers
WEDNESDAY | Energy Explorers
THURSDAY | Creepy Crawly Composters
FRIDAY | Let's Sprout About It
